#### MISSION STATEMENT / ABOUT US

Riverview Theatre Company is a non-profit organization whose goals are to present entertainment to the community, create experiences and educational opportunities for those pursuing the theatre craft and to promote awareness and appreciation of the arts.

Angie Kells, founder and executive artistic director, created Riverview out of the desire to present theatrical experiences not readily available in the McHenry area. Riverview Theatre Company presents a rich tapestry of theatrical experiences, from the classics to the latest musicals, comedies and dramas. Live stage productions bring opportunities for all members of the community to participate in all aspects of theatre, both behind and in front of the curtain. Young people get a taste of the limelight through RiverKids Children's Theatre.

It is our hope that with the introduction of live, theatrical performances, the community will be enriched with the enlightened spirit and goodwill generated through exposure to the performing arts.

Enrollment & eligibility: Must be 8 years old and no older than 14 years old on the first day of camp. Enrollment is limited to 30 students. We must enroll at least 10 paid students in order to begin.

Daily camp is held at: **Memorial Hall Civic Theatre** / 10308 Main Street, Richmond, Illinois
